ANNOUNCEMENT

JOINT VENTURE BY CCT, CAPITALAND AND MEA TO REDEVELOP THE PROPERTY PREVIOUSLY KNOWN AS MARKET STREET CAR PARK – UNITHOLDER LOAN

The **Manager** refers to its announcement dated 14 July 2011 in relation to the **Joint Venture** for the redevelopment of the **Property**.

The respective interests of **CapitaLand** (through its wholly-owned subsidiary, **CL SPV**), **CCT** (through **CCT Trustee**) and **MEA** in the **Joint Venture** through **MSO Trust** are 50%, 40% and 10%.

The announcement dated 14 July 2011 makes reference to a total commitment of up to S\$850.0 million provided by **CL SPV**, **CCT Trustee** and **MEA** to be provided in the form of equity and/or unitholder loan and in their respective proportions.

The **Manager** wishes to announce that out of the S\$850.0 million commitment, an amount of up to S\$794.0 million will be provided by way of unitholder loan to be drawn down in multiple tranches progressively over time. Such commitment, if provided by way of unitholder loan, will be interest-bearing, with the interest rates to be pegged to the market rates prevailing on the relevant dates of drawdown. The contribution of the commitment in the form of unitholder loan is intended to enable **MSO Trust** to achieve a more efficient capital structure for the **Project**.

Assuming that the entire amount of S\$794.0 million will be contributed in the form of unitholder loan and drawn down in one tranche with a loan tenure of 4 years, the estimated total interest expense for such unitholder loan will be S\$100.0 million. The estimated interest expense will be payable by **MSO Trust Trustee-Manager** to **CCT Trustee**, **CL SPV** and **MEA**, in their respective proportions. **CCT's** proportionate share of the estimated interest expense payable by **MSO Trust** on its proportionate share of unitholder loan of S\$317.6 million is S\$40.0 million.

As a result of the above, the aggregate value of all interested person transactions between **CCT** and its entities at risk and **CapitaLand** and/or its associates for the current financial year including the estimated amount of the interest payable is approximately S\$413.5 million.

The aggregate value of all interested person transactions of **CCT** and its entities at risk (including interested person transactions with **CapitaLand** and/or its associates) for the current financial year is approximately S\$418.2 million.
