Third Quarter 2019 Financial Results 23 October 2019

Important Notice

This presentation shall be read in conjunction with CCT's 3Q 2019 Unaudited Financial Statement Announcement.

The past performance of CCT is not indicative of the future performance of CCT. Similarly, the past performance of CapitaLand Commercial Trust Management Limited, the manager of CCT is not indicative of the future performance of the Manager.

The value of units in CCT (CCT Units) and the income derived from them may fall as well as rise. The CCT Units are not obligations of, deposits in, or guaranteed by, the CCT Manager. An investment in the CCT Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the CCT Manager redeem or purchase their CCT Units while the CCT Units are listed. It is intended that holders of the CCT Units may only deal in their CCT Units through trading on Singapore Exchange Securities Trading Limited (SGX-ST). Listing of the CCT Units on the SGX-ST does not guarantee a liquid market for the CCT Units.

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other developments or companies, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of the CCT Manager on future events.

| DPU (cents) | 2.20 | 2.20 | - | |

- (1) Improved performance was largely attributed to the acquisition of Main Airport Center, and higher revenue from 21 Collyer Quay, Asia Square Tower 2, Capital Tower and Gallileo. A one-off compensation sum of \$\$2.1 million received from a tenant at Asia Square Tower 2 for early surrender of lease also contributed to the increase. The higher revenue was offset by the divestment of Twenty Anson and lower revenue from Six Battery Road and Bugis Village.
- (2) 3Q 2019 distributable income includes tax-exempt income of \$\$3.9 million. The year-on-year increase was due to higher portfolio NPI and lower interest expense arising from lower average cost of debt.

CCT Sustainability Framework

Guided by CapitaLand's core values, CCT is committed to our stakeholder groups and strives to add value under each focus area

Stakeholder Engagement – CCT Live It Up! 2019

To promote health, wellness, community and inclusivity through a 3-week wellness and sustainability movement

- CapitaLand Hope Foundation and CCT raised \$\$20,360 for Rainbow Centre Singapore's Empowerment, Development and Innovation Fund
- CCT welcomed some students and their caregivers from Rainbow Centre Singapore to run alongside CapitaLand staff and tenants' teams during the race.

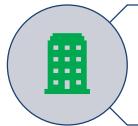

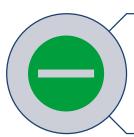

Precautionary Measures for Health and Safety Cap/taland - Haze Management

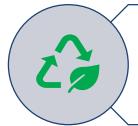

CCT is well-equipped and prepared with measures in place at our properties to manage haze incidents in Singapore:

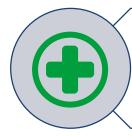

All Air Handling Units in our office buildings are installed with MERV 14 filters to ensure good air quality

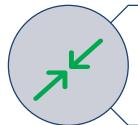

Access to outdoor sky gardens and terraces will be closed when haze reading exceeds 1-hour $PM_{2.5}$ of 150

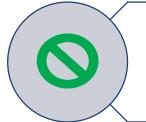

Air filters installed in fresh air intake ducts for common areas such as basement car parks, lift shafts and staircases where applicable

Haze kits (including N95 masks) given out upon request by tenants and visitors

Inflow of unfiltered air minimised when haze reading exceed 1-hour PM_{2.5} of 100

Outdoor work minimised during elevated haze conditions
